The HISTORY of Our BUSINESS GUILD

The Key West Business Guild (KWBG) was formed in 1978 to encourage summer tourism and to support Key West's gay community. The KWBG is one the nation's first LGBTQ destination marketing organizations. From a small original membership, it has grown to include more than 475 enterprises representing virtually every facet of the island's business community.

We are a not-for-profit organization devoted to promoting Key West to LGBTQ+ travelers. We provide comprehensive information about Gay Key West and promote our members to a national and international travel market. This work helps to attract about 250,000 LGBTQ+ travelers here each year, earning Key West the well-deserved (and decades long) reputation as one of the most appealing gay-friendly destinations anywhere in the world!

Our mission at the Key West Business Guild is to first, promote LGBTQ+ travel to Key West through marketing and the promotion of special events: Key West Pride, Tropical Heat, Womenfest, and the Headdress Ball. Secondly, we support LGBTQ+-owned, managed, or friendly businesses. And the Guild works to strengthen the LGBTQ+ community's position within the local community by supporting relevant LGBTQ+ issues.

Today, our Business Guild is proud to rank among the nation's leading gay business associations. Our marketing efforts, supported by the Monroe County Tourism Development Council, incorporate a gay marketing specialist and an award-winning advertising campaign. We also operate the Gay Key West Visitor Center located at 808 Duval. Walk-in to find a warm welcome and an informative introduction to this amazing inclusive island, our events, local businesses, and area attractions. **We hope that you have an awesome time here in the island - and come back again soon!**

Let me take the STRESS out of real estate by putting my 27 years of proven results to work for YOU.

I know this market and can find YOUR perfect piece of paradise.

Whether cottage or castle, we'll discover it together!
